

1. Find an opening slot in the Decades of the Rosary/ Closing Prayers Sheet and let me know to add your name.
2. Feel free to add your intentions before we start, preferable in an email so I can add them to our prayer sheet.
3. Greetings and discussion are fine before and after the Rosary.
4. The "Chat" is also good to use especially once we get started or if you are experiencing technical issues.
5. Please keep muted when we start the Rosary until it's your turn to either lead or respond to minimize the jumble audio.
6. It's completely up to you if you wish to pray in the background.
7. Keep praying!
