Brothers in Christ

This year marks the 758th celebration of the Feast of Corpus Christi (Latin for “Body of Christ”) – also known as the Solemnity of the Most Holy Body and Blood of Christ. Since this is our parish feast day, which we’ll celebrate next Sunday, it’s helpful to know the history of this special day. The origin of Corpus Christi began with a Eucharistic miracle, which is a moment of divine intervention aimed at confirming the faith in the Real Presence of the Body and Blood of Jesus in the Eucharist. While there are many websites and resources documenting Eucharistic miracles throughout history, one of the best is the compilation by Blessed Carlos Acutis: miracolieucaristici.org. Here is the description of the event in 1263:

In 1263 a German priest, Peter of Prague, stopped at Bolsena [Italy] while on a pilgrimage to Rome. He... [was] a pious priest, but one who found it difficult to believe that Christ was actually present in the consecrated Host. While celebrating Holy Mass above the tomb of St. Christina (located in the church named for this martyr), he had barely spoken the words of Consecration when blood started to seep from the consecrated Host and trickle over his hands onto the altar and the corporal. The priest was immediately confused. At first, he attempted to hide the blood, but then he interrupted the Mass and asked to be taken to the neighboring city of Orvieto, where Pope Urban IV resided. The Pope listened to the priest's account and absolved him. He then sent emissaries for an immediate investigation. When all the facts were ascertained, he ordered the Bishop of the diocese to bring the Host and the linen cloth bearing the stains of blood to Orvieto. With archbishops, cardinals and other Church dignitaries in attendance, the Pope met the procession and, amid great pomp, had the relics placed in the cathedral. The linen corporal bearing the spots of blood is still reverently enshrined and exhibited in the Cathedral of Orvieto. It is said that Pope Urban IV was prompted by this miracle to commission St. Thomas Aquinas to compose the Proper for a Mass and an Office honoring the Holy Eucharist as the Body of Christ. One year after the miracle, in August instituted the feast of Corpus Christi.

This was when St. Thomas Aquinas wrote the hymn containing the verses of Tantum Ergo, which we still sing today during Eucharistic exposition! The papal bull, Transitus, ordered Corpus Christi be celebrated annually on the Thursday after Trinity Sunday throughout the Latin Church. Why Thursday? Perhaps as a reminder that Jesus celebrated the Last Supper on the Thursday before His passion. In modern times, this feast is commonly transferred to the following Sunday to accommodate the faithful.

Dear Brother Knights

I want to take this opportunity to say how impressed I have been with the Knights of this council.

I see men assisting at Mass, serving at Muffin Sundays, leading the Rosary, assisting at the Stations of the Cross, hosting and helping out at events. Your presence is noticed and is powerful.

I have been reflecting a lot recently on the ministry of presence.

I never realized, until recently how powerful and profound it is. Your presence and your witness of showing up and lending a hand wherever and whenever you can makes a difference. It makes a huge difference being visible as parishioners come in to Mass. ***Your presence brings comfort and peace to many.***

I encourage you to take the time and reflect on how powerful your presence is not only in your home and with your loved ones, but with your friends and acquaintances but also with this beautiful parish community.

You make a difference. Your smile makes a difference. Your contribution makes a difference.

Your presence makes a difference.

Vivat

BROTHERS

Brothers first of all a big thanks to all **our** Members who took **part** this year in events and **activities**, especially those that **support** the Parish. Also Knights who **formed** the **Executive** and participated in our Planning meetings. I believe **we** accomplished quite a lot considering the **size of** our Council. Moving forward I **also want** to thank those members **who are** standing as nominees for **our Executive elections**.

My second **point** is the **well** known concept **that** our time **here is short, and there is always more** to do. I found the Columbian Magazine article this month on the Knights helicopter pilots quite **interesting**. **During the turmoil in Haiti, with the gangs fighting throughout the country**, many people got **trapped when the airport was shut down**. **Messages** got **through** to **US Congressmen** about Americans to be evacuated. **Requests** went out and the **first 12 pilots** to be **asked to fly** there **for rescue** missions declined. Then a couple retired Knight pilots volunteered and ended up flying three helicopter **rescue missions**. **These were risky** and dangerous **flights**, but these Knights stepped up **and** succeeded. They asked **themselves if not me, then who would do the work?**

In Alliston, we do not ask for volunteers to do life threatening work! However, like in Haiti, **sometimes there is an urgency** and a timeline associated **with** a need. **If not you, then who?** To continue to spread the opportunities and the rewards **gained** from the **work**, **we would like** everyone to be **active in their area of choice**. Tonight you will hear of **more new opportunities, brought forth** to this Council by **NEW** members.

We are close to achieving **Star Council status**, but we need attendance at the **financial webinar** sessions as per previous **emails**.

During the summer we have the Potato Festival and the Parish Picnic as minimum events, possibly more. We need help, and being part of them you **will** enjoy **the fraternity of the occasion!!**

Keep in your prayers, our members experiencing illness, and those who have passed away.

WORTHY BROTHERS

I write this as I gather with my brothers to honour our Worthy Past Grand Knight Aurele Lemire, and it gives me pause as I think of the life of service this man gave to his Council and his Parish.

In the 19 years I've been part of this parish, Aurele has been a fixture. At Knight's meetings and as an usher, he served tirelessly.

When he stood to speak and contribute at council meetings, Aurele always spoke with conviction and compassion. He wanted to make sure that we did things properly as a council. He was resourceful, creative and dedicated. He was a wealth of knowledge.

When our council was in trouble about five years ago, Aurele stepped up to serve again as Grand Knight to keep his beloved council going. His tireless dedication to his brother Knights in these last few years was only second to his loving service to his wife Linda. He stayed by her side and sought care for her at Matthew's house and then beyond the home when it just wasn't possible for him to give her the care she needed any longer. How fitting that he was able to spend his last few days there.

What a fine example of service for our council. Eternal rest grant unto him, O Lord. And may perpetual light shine upon him.

Greetings Brothers

In our last newsletter an update was provided on the struggles that have faced local Squires Circle since returning from the COVID lockdowns. In order to rekindle the Circle, new ideas and support were sought from the Council membership and thank you to those who supplied new their feedback.

Some brothers did suggest that the Council should strongly consider withdrawing its support of the Circle. It was expressed that by doing so, resources could be redirected to non youth activities and reduce the liability that exists in having youth sponsored activities. To hear and or read this was discouraging when you consider the effort and time that has been spent to develop the successful group we had and potentially still do have.

Last night (June 12th) some of the Squires met with Brothers **Patrick Hayes** and **Jose Buruca** to discuss whether the Circle should continue. There was strong support for keeping the Circle going led by Nathan Tan who has pledge full support as he finishes his last two years and has expressed an interest in serving as Chief Squire and Past Chief Squire. He sees his role as that of a mentor to the younger members in preparing them to manage the Circle in the years to come.

Below is a list of events/activities that the Squires are considering in the future when they return from summer break.

- **Barrie Colts OHL Hockey Night**
- **Sports Night BBQ Membership Drive**
- **Memorial Mass for deceased Squires and Knights**
- **Rosary and Rose Sale in support of Prolife Charities**
- **Joint fundraising events parish breakfast IE Breakfast with Santa**
- **Parish Movie Night featuring KofC movie on St. Mother Teresa of Calcutta**
- **Food Drives at Thanksgiving & over the Christmas Season for the Alliston Food Bank**

Simply put Evangelization through our Actions as Catholic Role Models.

A motion will be tabled shortly as part of the update on the Squires Convention that took place this past weekend in Burlington, ON. This motion will ask for the Council's continued support of the Circle for the 2024-2025 Fraternal Year and onwards. Supporting the Squires is not an individual activity for one or two knights but is for the whole council to be involved in at some point and time during the year. This involvement could include attending a fundraising event, joining in on a function being offered, offering a hand at a meeting or event, and joining in praying the rosary or attending Mass when the Circle attends as a group.

70TH ANNUAL ONTARIO STATE SQUIRES CONVENTION

Worthy Brothers,

For the past 70 years Squires have gathered from across the province to celebrate their brotherhood, friendship and successes of the past year. This year was no different except that the Circle from our parish did not attend. I have spoken with Brother David Binns who has asked if Brother Jose and I will step in to replace him as he is finding he no longer has the energy to continue at this time.

Upon the urging of the State Squires Director and David I did attend the convention this past weekend as an observer. I was amazed by the welcome of the other councillors and youth Friday evening during the registration and supper that took place. Many asking for David and others for members of the Circle both current and past. When these boys were asked for, it was by name and with a genuine interest which just goes to show what effect these men and young men have had on the group.

To attend the Opening Ceremony Friday and hear everyone praying the Peace Prayer of Saint Francis and singing the National Anthem in both official languages was inspiring. One might even think they were at the 7th Game of the Finals for the Stanley Cup and two Canadian Teams were playing. A brief business meeting was held where the various State Committees gave their annual report and the State Father Prior Fr. Michel Quenneville conclude the ceremony with a spiritual reflection on the true presence of Christ in the Eucharist.

With the Opening Ceremony finished it was **TIME TO PARTY!!** AND PARTY THE SQUIRES DID with a variety of video and board games and chowing down on a variety of chips, popcorn, fruit, cookies, and home baking in the hospitality suites. An excellent time for myself to meet with other councillors and state officers for suggestions in rebuilding the Circle and GROWING.

Saturday morning came early at 7:25 am for morning prayer and rosary in memory of Ken McLean a brother knight, councillor and supporter of Squires for over 30 years who passed away last month. I expected to see a small group but was again greeted by all the delegates, state executive, family members attending and any observers. Well over 125 people praying together.

The rest of the day was spent in business meetings and training sessions on membership drives, conducting successful events, and on the 3 pillars that Squires were founded on. Mass was offered by the State Father Prior complete with a Fourth Degree Honour Guard. The evening highlight I would say was watching 7 Squires age out and become members of the Knights of Columbus (even if one of them did butt in front of me at Dinner).

Sunday was pretty quiet with only the election of a new squire executive was held and discussion on the 2025 Joint Convention of the Ontario State Knights of Columbus and Ontario State Squires Circle in Ottawa. At this event Squires will be celebrating their 100th Anniversary of founding and the 125th Anniversary of Knights in Ontario.

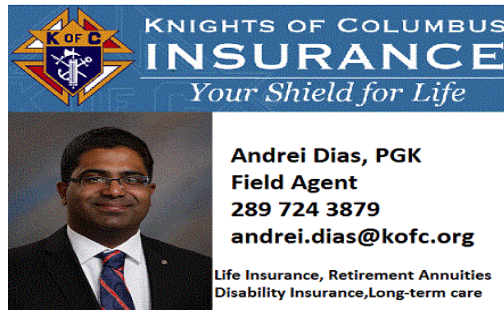

The Alliston Circle has been assigned to a new regional district of Toronto West and the director, councillors and Squires have offered their complete support to assisting the Circle to rebuild. Secondly, it has been offered to the Circle to expand its physical boundaries to include Barrie, Angus, Beeton, and Tottenham. This would allow a larger group of schools and parishes to access for potential members. Of course, each of the Knights Council in the area would need to agree.

PAGE 2

As mentioned in the Squires report there seems to be a foundation to rebuild on and therefore under new business, I wish to put forward a motion that the St Paul the Apostle Knights of Columbus Council 9352 continue their support to the St. Paul the Apostle Columbian Squires Circle 4328 during the 2024-2025 Fraternal Year and onwards.

Brothers,

This month is Father's Day. Every year at this time, I think of my father and all the father figures I've had in my life – spiritual fathers like the great priests who have helped shape me into who I am. My membership in the Knights of Columbus has given me incredible examples of men who have dedicated their lives to the service of others and in their example, made me a better man.

Being a Knight truly is to live a life of service. To give of one's self.

When I think about the many ways our Order contributes to our parishes and to our communities, I'm reminded of what St. Paul tells us about giving: "Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver" (2 Cor 9:7).

"A cheerful giver" — that perfectly describes what it means to be a Knight.

As a Knights of Columbus field agent, I see in my daily life how Knights give of themselves with joy. When a brother Knight chooses to protect his family through Knights of Columbus insurance, he does so out of love. He wants to make sure his loved ones are taken care of when he's gone.

And I remind him that he's not only protecting his family. He's furthering the charitable mission of our Order.

That's what sets Knights of Columbus apart. Members who've purchased a Knights of Columbus insurance product or invested with Knights of Columbus Asset Advisors are doing business with an organization that aligns with their Catholic faith.

Through the business activities and the contributions of state and local councils, Knights of Columbus was able to donate more than \$185 million to charity last year alone. That doesn't even include the nearly \$21 million distributed through Knights of Columbus Charitable Fund via grants by donor clients.¹ To be a Knight is to be part of a culture of giving – and in terms of business, it's a culture that turns insurance premiums into charitable impact.

Whether it's supporting new mothers in need, delivering Coats for Kids, bringing relief after natural disasters, or supporting seminarians, the number of people who depend on our help is countless. And the extent of our reach would not be possible without our insurance program.

As the Fraternal Year comes to a close, I want to congratulate you all for the many successes you've achieved as a council. When we come together under our principles of charity, unity and fraternity, we truly make a great impact.

Thank you, and I wish all of the fathers here many blessings this Father's Day

Vivat Jesus!

Brother Michael CROWLEY

You are very special to God.

You belong to God — all of God: Father, Son and Holy Spirit.

The reason why it's so important to be baptized in the name of the full Holy Trinity, as Jesus instructs in this Sunday's Gospel reading, instead of only through Jesus our Savior as a few Protestant sects do, is because God in his fullness — all three Persons of the triune nature of God — wants to have a personal relationship with you, a true friendship.

Are you aware of living in a special love relationship with each Person of the Trinity? Can you sit and chat with ***God as Father, God as Savior, and God as Holy Spirit***? When you're feeling hurt, can you sit in the Father's lap and receive his comfort? When you're fighting temptation, can you feel the strength of Jesus coming to your rescue? When you're worried or confused or struggling to have faith, are you aware of the Spirit's gentle guidance?

The Father of Jesus is our own, very special Divine Daddy or Abba in the reading from Romans. Is he a fearsome punishing authority who barely understands you? No, he gladly adopted you during your baptism, because he's a doting daddy who provides for our needs.

The Holy Spirit assures us of this. God's Spirit embraces us and comforts us and teaches us everything we need to know so we can live in the joy of a life that's full of love. And in that love, Jesus sacrificed himself for us so that we can be free from the punishment of sin and live holy lives with the help of his Holy Spirit.

God is a ***trinity of helpers, healers, strengtheners, and faith-builders***. He wants you to live in the fullness of his divinity! He wants you to benefit from all that he is.

As baptized Christians and as sacramental Catholics who have God's presence fully available in the ***Eucharist***, we lack nothing that really matters!

REMEMBER BROTHERS

A Knight is a leader who stands in the breach. We defend the faith. We protect the family. And when a need arises, we rise to meet it – with charity, unity and fraternity”

P O P E S

Pope St. Celestine I

The 43rd Pope

Pope St. Celestine I is known for having been the first to deal with a new heresy, known to us as *Nestorianism*. Nestorius was the bishop of Constantinople when he began preaching the heretical idea that Christ was in fact two distinct persons, not a single person with both a divine and human nature. As icing on the cake, Nestorius also didn't like the descriptor *Theotokos*, or "*God-Bearer*," that was often given to the *Virgin Mary*.

Saying (probably), "How about you show Mom some respect," St. Cyril of Alexandria wrote to Celestine I, asking for his blessing to excommunicate Nestorius and condemn his teaching. Celestine gave Cyril the green light, which led to Nestorianism being condemned at the Council of Ephesus in 431.

In a sense, we can thank Celestine I for St. Patrick's Day. Just before his death, it was Celestine who commissioned Patrick, the great patron of Ireland, to begin evangelizing there – and in his last official act as pope.
